018/2025: Hon. LinahSote MCA, Baringo County, seeks a statement from the **Chairperson, Transport, Public Works and Infrastructure Committee** on the following matters of concern;

THAT, most streets and major roads within Kabarnet town are dark owing to lack of streets lights causing fear and insecurity to business community and the general public.

AWARE THAT long business hours improves the County economy and enhance revenue to the County Government as well improving the livelihoods of the people.

HOWEVER, most business in Kabarnet town closes as early as 6:30 pm for lack of lighting in their respective business areas;

- i. The department should respond to why there are no street lights in major roads in Kabarnet especially town - Kaptimbor, town - Rehabilitation, Equity - Anyiny and town - Mumol roads
- ii. What action is the County Government taking to ensure that street lights are installed and working in Kabarnet town and other sub-county headquarters?
