- i). Baringo County Government Executive Annual Report and Financial Statements for the Financial Year ended 30th June, 2025.
- ii). Baringo County Executive Mortgage Scheme Fund -Annual Report and Financial Statements for the Financial Year ended 30th June, 2025.

8. MOTION**HON. NIXON LEMLEM, MCA, MARIGAT WARD**

Hon. Speaker, I beg to move the following Motion,

AWARE THAT, in Kenya, the right to property is constitutionally protected under Article 40 of the Constitution of Kenya, 2010. This guarantees every person the right to acquire and own property, individually or in association with others, of any description, and in any part of Kenya.

APPRECIATIVE of Article 43 of the Constitution which outlines various socio-economic rights, including the right to a reasonable standard of living. This right can be interpreted to include the right to live in a safe environment, which would encompass protection from hazards like fire.

FURTHER NOTING THAT, County Governments in Kenya play a crucial role in protecting property from fire through various measures, including promoting fire safety, providing fire and rescue services, and implementing fire prevention strategies.

ALARMED THAT recently, there was a fire outbreak in Marigat town razing down entire business and residential plots without any visible county rescue team and further several fire incidents have been reported around Marigat ward and the entire Baringo County at large;

NOW THEREFORE; this Motion urges the County Government of Baringo to

- 1) Explain how the County Government is prepared in tackling fire
- 2) incidences when they occur;
- 3) State how many fire engines and fire training personnel are on standby and ready when these incidences happen?
- 4) How are the fire stations and engines distributed in the county in readiness for any eventuality of fire tragedies?
- 4) How is the County Government planning to compensate the victims of fire tragedies?

ADJOURNMENT

NOTICE PAPER I

Tentative Business for Wednesday, 29th October, 2025

(Published pursuant to Standing Order 38)

It is notified that the House Business Committee has approved the following **tentative** business to appear in the Order Paper for Wednesday 29th October, 2025 (Morning Sitting).

HON LINAH SOTE, MCA, BARINGO COUNTY

Hon. Speaker, I beg to move the following Motion,

AWARE that menstrual hygiene is a basic human right and a crucial component of health, education, and dignity for all girls and women;

FURTHER AWARE that many school-going girls in our county, especially from poor and vulnerable backgrounds, lack access to adequate sanitary towels and menstrual hygiene materials;

CONCERNED that the lack of menstrual products, privacy, and sanitation facilities in schools contributes to absenteeism, poor academic performance, and school dropout among girls;

NOTING that the Government of Kenya, through the Basic Education Act (Section 39), mandates the provision of free, sufficient, and quality sanitary towels to every girl child enrolled in a public basic education institution who has reached puberty;

ACKNOWLEDGING Sustainable Development Goals (SDGs), Particularly SDG3 (Good Health and Well-being), SDG 4(Quality Education) and SDG5 (Gender Quality), which supports menstrual health initiatives.

APPRECIATING the efforts by the Ministry of Education and other stakeholders , but recognizing the gaps in coverage and consistency in the distribution of sanitary towels across our schools;

NOW THEREFORE, this House resolves to:

1. Urge the County Government of Baringo, through the Departments of Education and Public Health, to develop and implement a sustainable menstrual hygiene program that ensures regular and adequate supply of sanitary towels to all public primary and secondary schools across the county;
2. Call upon the County Government of Baringo to partner with the national government, NGOs, and the private sector to support menstrual hygiene awareness and education in schools;
3. Recommend that the County Government allocate adequate funds in the subsequent financial years towards the purchase and distribution of sanitary towels, construction of gender-sensitive sanitation facilities, and training of teachers and health officers on menstrual hygiene management;
4. Encourage community-based advocacy and sensitization to end the stigma, cultural taboos, and discrimination associated with menstruation.

Hon. Speaker, ensuring that girls manage their menstruation in a dignified and healthy way will not only boost school attendance but also promote gender equality, reduce teenage pregnancy, and empower the girl child to fully realize her potential

I hereby move this motion and urge Hon. Members to support it in the interest of our daughters and the future of this county.
