- i. Why is it that the Kiserian footbridge has not been restored to its requisite functionality despite funds for disaster being availed as it remains submerged to date?

- ii. Why have the following roads and culverts not been repaired after being damaged by flash floods?
 - a) Kailer – Loitip – Sirata road.
 - b) Sirata – Chemorongion road.
 - c) Kiserian - Noosukuro road.
- iii. What are the reasons for failing to supply Noosukuro community who have been marooned by the flood waters with food and non-food items as part of disaster mitigation despite being the supposed beneficiaries of the budgeted funds?
- iv. What measures has the County Government put in place to ensure that the matters raised above are resolved expeditiously to ensure that the affected residents and communities within Mukutani Ward are assisted to avoid any marginalization?

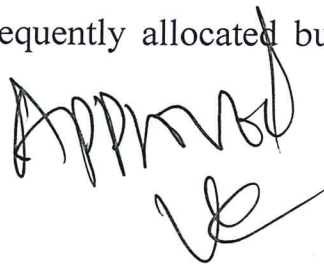

(The Committee to liaise with the department and provide a full report on 16th October, 2024).
