8. MOTION

(HON. FRANCIS KIBAI, MCA, BARINGO)

AWARE THAT, the National Government's Youth Volunteer Program has been instrumental in creating opportunities for over 30,000 unemployed youths through internship, volunteership and apprenticeship in line with Article 55(a) of the Constitution of Kenya, which requires the state to take measures including affirmative action programs to ensure youth access relevant training and education;

APPRECIATING THAT, through internship and volunteering opportunities, youth are able to gain valuable work experience, explore career paths, network with professionals in the field, gain confidence, develop working skills and hopefully transition into meaningful employment;

CONCERNED THAT, Baringo County with its growing population of young graduates facing high rate of unemployment and lack of proper mentorship programs; the young educated and vibrant members of the society will be subjected to hopelessness and lifelong frustration;

ACKNOWLEDGING the need by the County Governments to emulate such programs that would see competent young graduates access internship and volunteering opportunities in order to gain technical skills, experience and expertise in preparation for the labour market;

NOW THEREFORE, this Motion urges the County Government to explore mechanisms for the establishment of a County Youth Internship and Volunteer program to be implemented soon.
